NORTH

GRAPHIC SCALE

This map was prepared by the Department of Development Services, Community Development Division using available tax maps from the Citrus County Property Appraiser's office to create a base map. The purpose of this map is to convey land use and zoning information pursuant to ordinance 90-14 as amended. Information regarding property ownership and recognition of individual lots or lot boundaries is subject to verification and this map should not be relied upon for this purpose.

Community Development Division
Planning for the Future

Revised 03-20-2002

The color blue identifies the Coastal High Hazard Area.

Note: Maximum permitted residential density in the velocity zone shall not exceed 1 dwelling unit per 40 acres.
