To Whom It May Concern:

All structure fires in Citrus County receive the following response.

Apparatus response to structure fires is as follows:

- Minimum of four (4) engines
- One aerial (ladder truck)
- Two tankers

Our engines and tankers carry water and have the ability to pump water from alternate water sources such as lakes, ponds, rivers etc. However, if there are hazards that may pose a potential danger to the firefighters or damage to equipment, the alternate water source will not be used.

If you have any questions regarding this information, please contact our office at the above listed phone number.

Sincerely,

Richard E. Stover, EFO
Fire Chief
